Late last night Chairman Crabtree of the Red Cross campaign

Special Reports.  
Dr. J. R. Harker told of the

Committee declare that subscriptions in Jacksonville and Morgan county totaled practically \$68,000 with a certain of \$120,000 to be raised. The chairman and his co-workers are firmly of the opinion that the campaign will show at least \$70,000 and possibly more. The subscriptions by wards and precincts are given in the table above. No report has been received from Arcadia and in the compilation of figures only the quota of \$10,000 was used. The quota it is quite certain that this amount will be exceeded. Until Saturday the subscriptions at Mercedosa were considerably below the quota but at the enthusiastic meeting held last night with Sergt. Wayman as the principal speaker the precinct went over the top in fine form with subscription of \$29,250 as against a quota of \$15,000.

Saturday was a very busy day at the Red Cross headquarters and

the record keepers worked until a late hour last night in compiling the figures. A great deal of work remains to be done and the commission for the third ward in place of Dr. R. R. Buckthorpe. He mentioned that the quota was \$2500 and the collections to that hour were \$15,781. \$15,781. \$300 from the Woman's college. Rev. W. E. Spooner of the fourth ward reported collections of \$15,781. with the real certainty of making the sum \$15,781. \$340. \$840.

There was a goodly attendance at the noonday luncheon. The invocation was by Rev. E. B. Landis.

**Selected Men Contributed.**

Chairman Crabtree mentioned that the young men of the G. C. Phelps Food store packed luncheons which were given to all departing soldiers Saturday morning.

**Ing.** A group of women also served coffee and sandwiches to troops on trains passing thru the city Saturday. Mention was made also that Taylor Agnew, Muriel Cain, Ralph Sibley and Freling Gordon had all made voluntary subscriptions to the Red Cross before leaving for Camp Shelby.

**Mr. Sibley** did not have time named at hand but said that ten of the contingent Friday gave \$1 each toward the work.

The chairman read a little story with reference to the action of Winchester women who had raised more than \$100 for Red Cross

**Noonday Totals.**

The noon day totals were then quoted by Chairman Crabtree and were \$37,125 for Jacksonville and \$23,173.25 for the county, which made approximately \$60,000. E. H. Gray, on behalf of the committee arranging for the jubilee at the opera house tonight outlined the program which will be given. Mrs. Lillian King, speaking for the Pastoral Helpers of the Christian church, made acknowledgement to Swift & Co., Jenkinson & Bode, Snyder Ice & Fuel Co., E. H. Gray, superintendent Jacksonville Railway & Light

work thru the sale of a single egg and the chicken that subsequently hatched from it. Mr. Fiedler mentioned that in a county in southern Illinois women had raised \$1940 from a sale of eggs. C. W. Taylor of the State School for the Deaf reported that the

Teachers and pupils there had made a subscription of better than 100 per cent. He referred to the patriotic entertainment to be given this afternoon, and said that he hoped that many of the audience might see the children give this program. Mr. Taylor was accompanied by Walter Tur-

gray, this mule had been introduced to the audience. Although he could not speak the lad continued industriously to knit as he stood on a chair and was heartily applauded by the company. This boy with others has done good substantial mitting work.

### WANTED THE RESIDENCE

The following is regarding the great Lord Reading, cousin of Mrs. J. Herman of this city. An exchange says:

Lord Reading, the British ambassador, is a young looking man, is talented, and his youthful appearance got him into an amusing adventure last week.

He had lunched at a Washington hotel, and when his bill was brought, he told the waiter he would have it charged.

"Indorse it, then, please," said the waiter.

So Lord Reading wrote "Reading" at the foot of the bill, and the waiter snatched it up and hurried away.

He returned in a moment and said contemptuously:

"Here, young fellow, sign your name on this. We don't care nothin' about where yer from."

Banner, followed by "Lead Kindly Light." Prayer was offered by Rev. McGee of Murrayville followed by a solo, "Some Sweet Day," by Louise Pearce. Rev. Pilech of Roodhouse gave the scripture reading after which the choir sang "Shall We Meet Beyond the River." Rev. Howard of White Hall read the obituary, also the letter received from R. L. and Mrs. R. L. Maynard, residents of Americus, Ga. Dr. Fletcher, district superintendent gave expression in a brief talk to many beautiful and inspiring thoughts, using as an especial tribute Riley's beautiful poem entitled "The Soldier."

**Worked Early and Late.**  
Private Rhodley then made a brief talk regarding the work he had done in the time he had known him at Camp Southern Field. This is a new camp and the completion of the hospital in a few weeks, was due largely to the efforts and work Maurice put forth. He with Private Rhodley often worked until late in the night that the hospital, so seriously needed, might soon be finished. He had passed a successful examination for sergeant in the hospital corps of the aviation service, and that he had not yet received his insignia, he was known as Sergeant Peters, among the boys in the camp. He was a comrade well liked and all the boys in Camp Southern Field were deeply grieved by his untimely death.

Near the close of the service, as Rev. Fletcher paid a fitting tribute to the service flag, Loyal A. Mehrtz placed the blue star, honoring Maurice on the church flag by a gold star.

The service closed with the choir singing "The Battle Hymn of the Republic."

The procession then went to the park where the remains were viewed by a great number of sorrowing friends and acquaintances.

Saturday morning, the body, accompanied by the family, left for Summit Grove, Ill., where burial

will be made Sunday afternoon. There are left to the passing of the young soldier, the parents, Rev. and Mrs. F. T. Peters, one sister Edna and two brothers, Mack and John, also other relatives and many friends.

Maurice James Peters was born in Dayton, Indiana, which was the first pastoral charge of his father, F. T. Peters, Dec. 13, 1837. He died in Americus, Ga., May 20, 1918.

**A Promising Young Man.**  
Maurice attended the Decatur High school, thru his Junior year, in his Senior year he entered Christian High school where he graduated. Well educated, accomplished, and sweet spirited, he was among the most promising of our country's young men.

He was active in mind, and skillful with hands. In the home beautiful handwork speak of him, a great lover of music, he played the violin and used his loved instrument to express his feelings, sad or joyous—retreating to a retired corner and pouring out his soul in his strains.

Maurice aged 20, volunteered to his country's service—Dec. 28, 1917. He entered the Medical Corps of the Aviation Department, Young, strong and patriotic, he was fervent in his studies, and service, and tho a private, was on the eve of promotion, when the summons came—come up higher.

Maurice was converted when only nine years old, under the impressions made upon his young mind by telling and reading of the Bible stories by his devoted mother. About the time of his graduation, all of his own accord, he went forward and asserted his faith, and that on entering life he stood firmly on the Rock of Ages.

The manner of his death is told in this loving letter from his friend whom he was visiting, when his last summons came.

This letter also brought the sweet message, that Maurice was still firm in the faith his mother taught him, and in consecrating himself to the service of his country, he reconsecrated himself to the service of his God.

Americus, Ga.  
May 20, 1918.

Our dear Friend:  
We address you thus because it was our sweet privilege to claim your son as one of our young friends at Southern Field.

We have a boy in the service and are trying to think of you and write to you in detail as we would like someone to do for us under similar circumstances.

Yesterday morning your son, together with a number of other men from the Field, came in to my Sunday school class, remained preaching service and by invitation, he and two of his friends came with us to dinner. (We wanted to give them a taste of home cooking and home life.)

Story of Fatal Dive.

We spent the day very pleasantly chatting about things in general, then late in the afternoon we took them and some other friends for a ride. All seemed so happy we went by a little summer resort near here, Myrtle Spring.

We stopped and drank water, then Maurice and his friend, Mr. Veit, wanted to swim for a few minutes, which they did. They were about ready to come out when Maurice said, "Let me dive once more." I didn't happen to be looking at him when he jumped from the spring board, but in a little time we realized he was staying under water too long, so Mr. Veit went to him and brought him out. It is possible he miscalculated the depth of the water, tho he had been in there some days before, also had been in some minutes at that time. However that may be, he struck the cement bottom and injured his head. We did what we could for him and in a very few minutes Dr. France, a surgeon, from the Field drove up. Maurice was partly conscious and tried to tell us something but we did not understand all he said. We took the large back cushion from our car and wrapped him up and put him on it lengthwise. Our car and Mr. Maynard with Dr. France and some of his young men friends drove to the Field hospital some miles away. I'm sure they did all it was possible for them to do for him, but at 4:10 o'clock this morning his sweet young spirit took its flight.

I want you to know that in this sad hour you have our heartfelt sympathy and not only are we grieved but all Americus as well as Southern Field are feeling this keenly.

**Future Outlook was Bright.**  
In conversation with Maurice we found that he was thoroughly conscientious about his duties, and was making an honorable place for himself. We felt that a bright future lay out before his true young face and it is necessarily a source of grief that he should be cut off—but I want to tell you one thing which I'm sure you will be pleased to hear. About two weeks ago he and his friend were here to see Misses Susie and Mary Pryor of Cobb, Ga. I went out to talk with them. The conversation naturally drifted to home, mother, friends, church, etc. I talked to them of the necessity of accepting Christ as their Savior and spending their lives for Him, etc. Without any solicitation, Maurice, in a very manly tho serious manner, extended his hand and clasped mine saying, "I pledge you from now on I will—" and then his voice seemed choked with emotion. He was very much in earnest, and I'm sure he is now "Safe in the Fold."

Several friends are sending flowers today. We suppose they will be faded before they reach you with the body, but they will speak to your loving mother heart what we cannot express. Hoping that God, to whom you and your husband have pointed so many others for comfort, will be your comfort and help now.

We are your sincere but unknown friends,  
R. L. Maynard and Mrs. R. L. Maynard.

FORMATION AND LINE OF MARCH  
OF THE MEMORIAL DAY PARADE

Plans for the big Memorial Day parade are fast nearing completion. The chairmen of the various committees report satisfactory progress and the day promises to be one long remembered in Jacksonville.

The parade will form on West State street and side streets adjoining and will pass thru the square, counter-marching so that all those taking part will have an opportunity of seeing it.

The committee on parade arrangements have mapped out the line of march and the order of formation. Marshals will be stationed at the various street intersections to see that no delay or misunderstanding occurs in the formation of the procession.

The committee's plan is as follows:

B. Y. Dallman, U. S. marshal for this district, has sent out notification to the press calling attention to this matter.

The registration here will be conducted by Chief of Police George P. Davis and detailed registration regulations will be found on file with him at his office in the city building. Persons who are required by this rule to register should give the matter their earnest attention because of the fact that severe penalties attach to violation of the rule. A number of German alien enemies have been sent from this district for internment during the war because of failure to register or for violation of the regulations subsequent to registration.

## OLDER BOYS SHOWN BRIGHT SIDE OF WAR

Outgoing Leaving Saturday  
Morning are Cheered on Way by  
Optimistic Talks and Martial  
Music—Large Crowd Escorts  
Men to Station.

Nearly a hundred more brave  
defenders of the flag have gone  
from Morgan county to swell the  
ranks of the nation's heroes. A

more cheerful note prevailed at  
the goodbye exercises and while  
not minimizing the stern realities  
of war at the same time the bright  
side was very wisely put first. The  
band played cheerful airs; the old  
soldiers saluted heartily; the  
speakers talked of the glories and  
the emoluments, the hoppiness  
and honor of service; vast throngs  
made a wall on both sides of the  
men as they marched from the  
opera house to the station and  
amid cheers and waving of hand-  
kerchiefs they started away.

The hour was so early the  
opera house was well filled with  
an enthusiastic audience which  
heartily cheered every allusion to  
the glories of the service and the  
courage of the men. Miller Weir  
presided and requested Rev. J. E.  
Langton to offer a prayer and an  
earnest, eloquent petition was  
heard by all.

In his opening remarks Mr.  
Weir said in brief:  
"I call your attention to our  
flag which has never yet gone  
down in permanent defeat and  
been trailed in the dust. This  
morning I want to present the  
cheerful side of war. Here we  
have the courage and bravery of  
youth. The coward dies a thousand  
deaths; the brave man dies but  
once. A man on a troop train  
asked where they were going re-  
plied, 'Across the Rhine.' This  
war will be a great national edu-  
cational experience. Every man  
who crosses the water will more  
than likely get back and for the  
huns there will be a hot time in  
hell. May all earn their full share  
of glory and come back laden with  
honors."

Judge O. P. Thompson.

Judge Thompson was then in-  
troduced and said in part:  
"It was indeed fitting that the  
hour for the departure of our  
boys was in the beginning of the  
day. This too is the beginning of  
the season of production and so  
it is the beginning of the military  
lives of our young men. Life is  
before them as the day is before  
us. They are called by the gov-  
ernment to service and are select-  
ed for the service from among  
more than ten million young men  
like them, who have registered,  
saying 'Here we are.'"

"The same glory and honor per-  
tain to the selective ones as to  
the volunteers. There are no  
slackers and there should be none.  
When all are thus patriotic and  
ready to serve then the country is  
safe. The service this morning is  
to show the sentiments of the peo-  
ple toward the effort to make the  
world safe for democracy and the  
world free from tyranny."

"The United States has entered  
this war to maintain the principles  
handed down by our forefathers.  
If those principles fail where is  
our government? There is not in  
history such a land as ours. It  
has sent its men across the seas,  
not for conquest or gain but from  
principle, and in defense of right.  
When a young man George Wash-  
ington placed before himself this  
motto:

"Labor to keep alive that  
spark of celestial fire called con-  
science."

Nation Should Have Conscience.  
"A nation should have a con-  
science as well as an individual."

That was what prompted these  
veterans of the civil war sitting  
before me, men whose hair is  
frosted with the cold of many win-  
ters, who have not long to be with  
us and whose presence is ever  
sought for the inspiration they  
afford; it was that which inspired  
them to go forth from 1861 to '65  
to risk life and health, to endure  
untold hardships, the weary  
march, the cruel prisons, the car-  
nages of battle, the racking dis-  
eases, all that they might see a  
land united and the shackles  
stricken from four million human  
slaves.

"Is there any conscience in a  
land which will murder helpless  
women and children; that will  
sink hospital ships; shell hospital  
camps killing sick and wounded,  
nurses and doctors? You young  
men who cross the sea will unite  
with 23 nations contending with  
the four in central Europe who  
bought for the war and sought to  
conquer to themselves the rest of  
the world."

"There is a tremendous deter-  
mination in this country to see  
this war thru to the bitter end  
and crush forever the shameful  
military would be despotism which  
seeks for its own selfish purpose  
to rule the nations of the world,  
relentless in its methods, unscrup-  
ulous in its acts, murdering help-  
less women, old men and child-  
ren; laying waste sanctuaries and  
holy places and even using bella  
meant by their chimes to call the  
people to the worship of the  
Prince of Peace to make cannon  
for the destruction of men. Other  
men will follow there for we must  
see this war thru."

"What a pleasure will be yours  
when you return victorious after  
having given your services for the  
preservation of the freedom of the  
world. I hope to be here to greet  
you on your return and pray that  
you may all come back glorified  
with honor and distinction and  
the gratitude of the land your  
bravery has saved from the heel  
of the tyrant."

"You are taking part in the  
greatest war in history. There  
are dangers everywhere. Right at  
home we face unseen foes to our  
safety. Now let us look on the  
bright side and vow here and now  
in the presence of our parents, our  
brothers, sisters, sweethearts and  
friends that we will be true to  
the flag and honor our beloved  
land."

"I pray that you may not only  
come back victorious but better  
men also in soul and body, ready  
to take up again the duties of life  
at home. While your fellow men  
will grandly honor you for the  
services you have rendered."

The gentleman was heard with  
close attention and greeted with  
frequent applause.

County Sends Best Men.

Miller Weir said:  
When I saw the long line of  
automobiles hurrying toward the  
opera house and thought of the  
red blood that courses in veins  
of the American people I thought  
the kaiser would take notice of it  
if he were not such a fool. This  
county has sent 700 of its best  
young men; supplying only those  
with good, red blood and they will  
be honored to the end of their  
days. I was sorry I couldn't be  
here when the last company went  
but I met them at Roodhouse and  
they called on me to say some-  
thing and I humorously told them  
to keep their feet dry. This re-  
mark put them in good humor and  
they rode away cheering and waving  
a fond farewell to the one  
who had helped select them for  
the service of their land. Let  
us all look on the bright side;  
keep the hearts merry and while  
not making light of the stern re-  
alities of war remember that a  
merry heart does good like a  
medicine and that there are many  
things to lighten the days of a  
soldier's life."

Dr. Carl E. Black.

He then introduced Dr. Carl E.

Black who said in brief:

"My remarks are a part of what  
is demanded by the government  
and I want to help you fight  
against an evil greater than war.  
In the history of the world, bat-  
tles have been lost owing to the  
illness of the soldiers with a cur-  
able trouble. The Japanese army  
especially sought to be free from  
this trouble and its mortality was  
the lowest on record. The worst  
the enemy can do is not equal to  
this. Every man clean makes the  
strongest army. In the ten we  
have examined for the army we  
found two who were otherwise  
able and strong but troubled with  
this disease and were rejected. In  
the European armies there were  
enough sick men to win the last  
drive had they all been in the  
ranks. Much attention is being  
called to this subject and none  
too much."

"There are in the country 125,-  
000 doctors and of these 20,000  
are in the army and 5,000 more  
will be there by June first. France  
asks for 2,000; England needs as  
many. There are places over  
there as large as Jacksonville in  
which there are no doctors at all.  
I hope all you men will come  
home clean in body and mind."

Mr. Weir Explains.

Mr. Weir said:

"I want to explain the principle  
of this selective business. Please  
all remember: these men going  
today are in reality volunteers.  
Most of them would gladly volun-  
teers but the trouble is, if we let  
them do it we get no credit and  
would have to call for that many  
more to take their places and that  
would drain the country too much.  
I am told in Benton they called  
for 117, the quota, and 136 went  
away. We are now holding back  
many who would like to volunteer  
for this reason."

"Another thing I want to say.  
Don't be too critical regarding  
those who are not going. We have  
tried to choose those who could  
best be spared. I want especially  
to mention the case of Paul  
Samuels. He has tried four times  
to enlist but for physical reasons  
for which he is not responsible  
he has been rejected."

W. D. Doying Gives Charge.

W. D. Doying of the exemption  
board then gave the charge.

"You men are called to the de-  
fense of your country and the  
people are here today to do you  
honor. You are now to be soldiers

and the first thing you have to  
learn is to obey orders. You will  
lay a good foundation and by dili-  
gence and devotion to duty you  
will soon become proficient. There  
is no earthly honor equal to this.  
By orders of the U. S. government  
you are soon to entrain for Camp  
Shelby in Mississippi. Twelve or-  
derlies have been assigned to have  
charge of you. Obey them; be  
true to your trust; remember you  
have in your hands the honor of  
your families, your state and the  
nation. Do your best; be true to  
your Maker and the best emolu-  
ment in all the world, a feeling  
of duty well done, will be yours."

March to the Station.

Escorted by the band which  
played splendidly; the boy scouts  
and the veterans of the civil war,  
the men marched thru vast  
throngs of cheering friends to the  
Wabash station. The train has  
79 men from Pike county and  
amid the cheers of friends and  
goodbyes the men rode  
away to camp and to glory.

The Boys Have Special Escort.

When it came to parting Miller  
Weir and W. D. Doying found it  
so hard to say goodbye that they  
boarded the train amid the heart-  
felt greetings of the boys and  
went thru shaking hands and  
cheering the departing heroes. All  
was cheer and courage; no down-  
cast looks or rueful countenances.  
The conductor appeared on the  
scene and seemed to think the  
two gentlemen were hardly among  
the list but Mr. Weir sternly eyed  
him and said they owned the  
whole road and the man in the  
blue coat agreed with them and  
wisely held his peace.

All along the way people gath-  
ered to see the train go by and  
wave goodbyes and cheers to the  
men enroute for camp and the  
best of feelings prevailed. Arriving  
at Alexander the exemption board  
men said goodbye again and wait-  
ing for the west bound accommo-  
dation returned to Jacksonville.

WE SHALL  
DISCONTINUE HANDLING  
FRESH MEATS

After May 27 we shall dis-  
continue handling fresh  
meats. This action is made  
necessary by the continually  
increasing prices, difficulty  
in obtaining help, and losses  
incurred when such foods  
cannot be promptly handled.

We shall continue to carry  
a full line of smoked and salt  
meats, groceries, canned  
goods and fruits.

The Evening Line-Up

Both children and grown-ups, with  
coughs and colds, are all the better  
for a dose of Foley's Honey and Tar at  
bed time. It wards off croup, stops  
tickling throat, and hacking coughs,  
and makes an otherwise feverish, sleep-  
less night of coughing and distress, a  
quiet and restful one.

BROWNVILLE, TEXAS, Mr. Chas.  
Baker, writes: "My wife would not think of  
using any other cough medicine, as Foley's  
Honey and Tar is certain to bring quick relief.  
It is especially effective in cases of bad coughs,  
and we give it to our children and recommend  
it always as a safe remedy, for it contains no  
opium."

## The Irresistible Appeal of Snowy White Porcelain

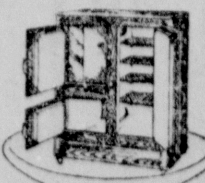

HOW proud you are of the  
porcelain in your home!  
How spotlessly pure it always  
looks! No other material could  
possibly take its place. In the  
finest homes porcelain is al-  
ways used wherever possible  
—it is so sanitary, so easily  
cleaned, and really the most  
economical in the end.

No other material is so easy  
to keep spotlessly clean. It  
does not break, chip or crack.

The refrigerator is one of  
the most important places for  
porcelain to be used. For econ-  
omy's sake food must not be  
allowed to spoil. For health's  
sake our food must be kept  
absolutely pure.

The four essentials of a  
good refrigerator

The first requisite is a real porce-  
lain lining. The re-  
frigerator must be  
designed so there  
will be a proper cir-  
culation of cold air.  
The insulation must  
be as nearly per-  
fect as possible.  
Workmanship and  
material must be of  
the very best.

Like a Clean China Dish

Why the best refrigerators are  
made in Grand Rapids

Here in Grand Rapids are the most  
skilled cabinet makers. The largest  
refrigerator factory in the world is  
here—the Grand Rapids Refrigerator  
Company. For over 35 years this  
company has been making refrigera-  
tors and has accumulated a wonder-  
ful experience in the science of  
domestic refrigeration.

"Like a clean china dish"

The Leonard Cleanable Refrigera-  
tor is so clean and so easy to keep  
clean that thousands of women know  
it by the above phrase. The beauti-  
ful one-piece porcelain lining in the  
Leonard Cleanable has rounded inside  
front corners. This is a most valuable  
patented feature and cannot be found  
in any other refrigerator.

In the Leonard Cleanable ten walls  
shut out the heat and shut in the cold.

Come in and get an interesting  
and instructive booklet—"Care of  
Refrigerators." Let us show you one  
of the famous Leonard models.

Our boys are defending this country on the high seas on the land. Our own defense against a common enemy is to keep the system clean by ridding the body of toxins or poisons, which are bred in the intestines. When you feel tired, sleepy, headachy, when your breath is offensive or pimples appear on the face or neck, it is time to recognize the danger and protect yourself by taking something more than that of your liver, such as Dr. Pierce's Pleasant Pellets.

The machinery of the body needs to be oiled, kept in good condition, just as the guns or machinery of a ship. Why should a human person neglect his own machinery more than that of his automobile or his guns? Yet most people do neglect themselves. Their tongue has a dark brown color, skin sallow, breath bad, yet they fail to see that their machinery needs attention.

Dr. Pierce's Pleasant Pellets have been known for nearly half a century. They are made of choice, leaves of aloe and jalap, made into a tiny pellet and coated with sugar. They are standard at every drug store in vials for twenty-five cents. Ask for Dr. Pierce's Pleasant Pellets—and get no other!

## "I SUFFERED SEVEN YEARS"

Was Eventually Cured by Lydia E. Pinkham's Vegetable Compound

Philadelphia, Pa.—"I suffered for seven long years with a lame back, irregularities and pain. I had one physician after another but they did me no good. I read about Lydia E. Pinkham's Vegetable Compound and gave it a trial and in a short time I felt benefited and am now feeling fine, and without weakness or pain."

Many of my friends have also taken Lydia E. Pinkham's Vegetable Compound and been helped by it. Mrs. Margaret Noss, 189 E. Hazard St., Philadelphia.

Women who suffer from displacements, irregularities, inflammation, ulceration, backache, sideache, flat aches or "the blues" should not rest until they have given this famous old and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial. If complications exist, write Lydia E. Pinkham, Medicine Co., Lynn, Mass., for special suggestions. The result of its long experience is at your service.

The Perfect Baby Of The Future

A Simple Method That Has a Wonderful Influence upon The Future Infant.

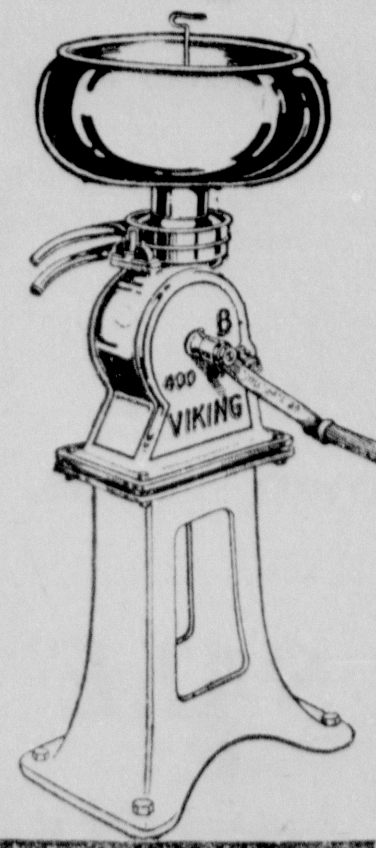

Before the arrival of baby knowing women for over half a century have been with regularity the time-honored preparation, Mother's Friend. Here is a most wonderful application for the abdomen and breasts. It penetrates the muscles, ligaments and tissues, rendering them pliant to readily yield to nature's demand for expansion. By its use the anxious weeks of pregnancy are made comfortable. The usual wrenching strain, bearing-down and stretching pains are counteracted. The system is prepared for the coming event, and its use brings rest, repose and happy anticipation. By the regular use of Mother's Friend during the period the muscles expand easier when baby arrives and naturally the pain and danger at the crisis is less. Mother's Friend is prepared after the formula of a noted family doctor by the Bradford Regulator Co., Lamar Building, Atlanta, Ga. It is for external use only; is absolutely and entirely safe and wonderfully effective. Write them for their instructive and interesting "Motherhood Book." There is a wealth of instruction and comfort to be derived in reading this little book. It is plainly written just what every woman wants to know and will be a splendid little text book of guidance, not only for yourself but for you to help to others. And in the meantime obtain a bottle of Mother's Friend from the druggist, and thus fortify yourself against pain and discomfort.

Speaking of a farmer committing suicide the Carlinville Enquirer says, "ill health is supposed to have accused him etoain etoain dum mfwy tigg on the well curb," all which goes to show that almost anything is likely to cause death.

Charlie Chaplin is said to have an attack of nervous prostration from his experience selling Liberty Bonds. Now he knows how people feel who look at his screen pictures in the movie shows.

That earthquake shock recorded in Chicago probably was caused by the testimony of Grace Lusk regarding her relations with Dr. Roberts.

Jay Cook, food administrator in Philadelphia advises girls to eat no candy and improve their figures. The same advice probably will improve the figure of the bank account of the girl's sweetheart.

Germany fed on propaganda says an exchange headline. We imagine that kind of diet will not take many notches out of a citizen's belt.

The former czar of Russia is to be tried for treason. We feel sorry for the czar for he hasn't much chance under present conditions in Russia.
